

2021 DOWN THE DRAINS TOURING ASSEMBLY SUPPLEMENTARY REGULATIONS

**A Round of the
Resto Country Spares Standard Car Class Championship**

SUNDAY 28th November 2021

A Word from the Directing Team:

This year's event is a little different to previous events.

We are using the Pakenham Auto Club facilities in Key Lane Pakenham.
This is the location for Start, Lunch Break and Finish.

No special car preparations are required although some form of compass is necessary and a trip meter is of value. All roads are easily passable by any normal passenger car.

The event is in two Sections:

Section 1 - The Novice Section:

Starting at 10.00am for the first car and finishing at 12.00pm. Relatively simple navigation, all Via Points are marked and numbered on the supplied maps. Remember we don't want to get you lost, only to miss the occasional Via Point. We do however recommend a magnifying glass.

Lunch Break:

There will be approximately a 2 hour break between Sections 1 and 2.
This will enable those who are competing in both Section 1 and Section 2 to have a break, enjoy the barbeque and plot Section 2.

Section 2 –The Experts Section:

This is a longer more difficult section. It uses largely 1931 maps (some a little older) and will test even the most experienced competitors. However, again, we do not want you to get lost so we hope to take the occasional points off you on the way through. First car starts at 2.00 pm and is due to finish at 4.30 pm. To ease your plotting on this section all Vias have been circled however you will still have to check the point and make sure you have everything correct.

SAFETY:

Remember that you will be travelling on public roads. You must obey all Road Laws including Speed Limits. Please be courteous to any other road users and give way to everyone. If you are looking for something pull well off to the left and watch your mirrors.

COVID-19 Statement:

The concessions and restrictions placed by the Victorian Government on movement and activities during the COVID-19 Pandemic are extremely fluid in nature. There is a strong possibility the measures needed to be taken by individuals and organisations may be significantly different between the date these Supplementary Regulations are published and the date of the event.

It is therefore necessary that the HRA Website, Vicrally Website and HRA Facebook Page be monitored for Bulletins and variations to the Supplementary Regulations prior to the event.

Under no circumstances should anyone with symptoms consistent with COVID-19 attend the event. This includes any fever, respiratory symptoms, shortness of breath, sore throat, cough, fatigue, or lack of sense of smell.

Under no circumstances should anyone attend the event if they have been;

1. Overseas in the previous 14 days; or
2. In contact with someone who has been overseas in the previous 14 days; or
3. In contact with a known COVID-19 positive case in the previous 14 days; and
4. Have not been in any area or location that has a travel restriction applied due to COVID-19 in the previous 14 days, except where an exemption is applicable as determined by the relevant Government authority, and for areas with travel restrictions where applicable.

It is highly recommended that if any participant exhibits symptoms consistent with COVID-19 prior to the event then the individual should take a COVID-19 test through Vic Health or their regular doctor. Motorsport Australia strongly encourages the use of the Australian Government's 'COVIDSafe App' for all event participants.

Many administrative and operational processes for the event may be very different to what has been normally experienced in the past. This may result in some activities taking longer than expected. Please allow additional time and tolerance during this difficult period so we can all participate and be involved in the sport we love. Please do read these Supplementary Regulations closely and in the lead up monitor for any applicable changes that may be made to the event as they become available.

Social distancing and other COVID-19 practices must be observed at all times.

 - nothing in this document excludes any term or guarantee which under statute cannot be excluded; however the liability of the

Entities is limited to the minimum liability allowable by law;

- nothing in this document precludes me from making a claim under a MOTORSPORT AUSTRALIA insurance policy where I am expressly entitled to make a claim under that insurance policy; and
- MOTORSPORT AUSTRALIA has arranged some limited personal injury insurance coverage which may provide me with some protection for loss, damage or injury that I may suffer during my participation in the Motor Sport Activities. However, I acknowledge and accept that the insurance taken out by MOTORSPORT AUSTRALIA may not provide me with full indemnity for loss, damage or injury that I may suffer during my participation in the Motor Sport Activities, and that I may have to pay the excess if a Claim is made under an insurance policy on my behalf. I agree that my own insurance arrangements are ultimately my responsibility and I will arrange any additional coverage at my expense after taking into account MOTORSPORT AUSTRALIA insurance arrangements, this document and my own circumstances.

Where Motor Sport Activities are held in the following jurisdictions, I acknowledge that I have also read and accept the following warnings:

WARNING APPLICABLE IN RELATION TO MOTOR SPORT ACTIVITIES HELD IN VICTORIA

WARNING UNDER THE AUSTRALIAN CONSUMER LAW AND FAIR TRADING

ACT 2012:

Under the Australian Consumer Law (Victoria), several statutory guarantees apply to the supply of certain goods and services. These guarantees mean that the supplier named on this form is required to ensure that the recreational services it supplies to you:

- are rendered with due care and skill;
- are reasonably fit for any purpose which you either expressly or by implication, make known to the supplier; and
- might reasonably be expected to achieve any result you have made known to the supplier.

Under section 22 of the **Australian Consumer Law and Fair Trading Act 2012 (Vic)**, the supplier is entitled to ask you to agree

that these conditions do not apply to you. If you sign this form, you will be agreeing that your rights to sue the supplier under the **Australian Consumer Law and Fair Trading Act 2012** if you are killed or injured because the services were not in accordance with these guarantees, are excluded, restricted or modified in the way set out in this form.

NOTE: The change to your rights, as set out in this form, does not apply if your death or injury is due to gross negligence on the supplier's part. "Gross negligence" in relation to an act or omission, means doing the act or omitting to do an act with reckless disregard, with or without consciousness, for the consequences of the act or omission. See regulation 5 of the Australian Consumer Law and Fair Trading Regulations 2012 and section 22(3)(b) of the Australian Consumer Law and Fair Trading Act 2012.

- a statutory guarantee that those services, and any product resulting from those services, will be of such a nature, and quality, state or condition, that they might reasonably be expected to achieve the result that the consumer wishes to achieve (as long as that wish is made known to the supplier or a person with whom negotiations have been conducted in relation to the acquisition of the services).

Excluding, Restricting or Modifying Your Rights:

Under section 42 of the Fair Trading Act 1987 (SA), the supplier of recreational services is entitled to ask you to agree to exclude, restrict or modify his or her liability for any personal injury suffered by you or another person for whom or on whose behalf you are acquiring the services (a third party consumer). If you sign this form, you will be agreeing to exclude, restrict or modify the supplier's liability with the result that compensation may not be payable if you or the third party consumer suffer personal injury.
