

Scorer's Notes

The final round of the HRA Rally Championship has been run and won. There were many HRA members' names added to the scoring program after the Southern Classic & Marysville Stages. While the extra members contributed to HRA's pointscore and helped us win the VCRS, it also meant a lot more research and/or guesswork on my part to allocate the 'new' crews to the correct vehicle category as well as Masters & Novices. Please check that your points have been allocated in the right places and let me know (clubscorer@hra.org.au) if changes are needed.

Definitions of Vehicle Categories and what constitutes a Master and/or a Novice are set out in the HRA Club Championship Rules, which may be found on the HRA website (click [here](#)).

The HRA Committee will be ordering trophies for the various winners in time for presentation at the February 2024 meeting, so speak now or forever hold your peace.

Nick Wright,
Club Championship Scorer
